

Compliance action taken for childcare provision

Ref: 2623948/5720268

Date: 15 July 2024

Summary of outcome

Our reference 2623948/ 5720268

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 April and 10 May 2024, the provider notified us two significant events. These notification mean that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of changes and significant events.

On 25 June 2024, we conducted a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 10 July 2024:

- ensure that staff understand how to supervise children effectively to assure their safety
- improve the deployment of staff to ensure all children's needs are met
- ensure that strategies for managing children's behaviour are implemented consistently to help children understand what is expected of them.

On 5 July 2024, the provider responded to the actions raised. We found that the provider had taken steps to improve the deployment of staff to help ensure that children's needs are met. We also found that the provider had strengthened staff's understanding of how to supervise children effectively and manage their behaviour appropriately to help promote their safety and well-being.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
