

## **Compliance action taken for childcare provision**

Ref: 2632460/5761526

Date: 15 July 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 June 2024 and 26 June 2024, we received concerns that the provider was not meeting some of these requirements.

On 4 July 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 18 July 2024:

- ensure the safeguarding policy is implemented effectively and understood by all staff.
- ensure all staff, including the designated safeguarding lead, have a secure understanding of safeguarding. This includes knowledge of how to identify and refer potential child protection concerns, and the procedures to follow in the event of an allegation of against a staff member.

We will monitor the provider's response to ensure the action/s is/are successfully completed.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services

we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
