

Compliance action taken for childcare provision

Ref: EY558804/5741607

Date: 18 July 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 24 May 2024, the provider notified us that a child had been taken to hospital following an accidental injury. The notification means that the provider met their legal responsibility as set out in the framework for the early years foundation stage to notify Ofsted of a significant event. On 12 July 2024, we carried out a regulatory visit. We found the provider had taken appropriate action following the accident. First aid was administered and a record of the accident was completed. However, we found the provider was not meeting requirements in relation to maintaining accurate records of each child's attendance. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 15 July 2024

- keep a daily record of the names of the children being cared for on the premises and their hours of attendance.

On 18 July 2024, the provider responded to the action set. We found that the provider had improved records of children's attendance. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
