

## **Compliance action taken for childcare provision**

Ref: EY440629/5780707

Date: 23 July 2024

### **Summary of outcome**

Outcome summary to be published to inform the public that there was a breach to requirements, but the provider has taken appropriate action to meet these.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2) If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 July 2024, the provider notified us of an injury to a child. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event which is likely to affect the suitability of any person who cares for, or is in regular contact with, children on the premises.

On 22 July 2024, we carried out a regulatory telephone call. We found that the provider was not meeting some of the requirements and had taken action to put this right. For example, staff have been re-issued with policies and procedures and refresher training has been identified. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
