

## **Compliance action taken for childcare provision**

Ref: EY349492/5758897

Date: 26 July 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 18 June 2024, we received concerns that the provider was not meeting some of these requirements.

On 24 July 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 31 July 2024:

- ensure staff understand and follow policies and procedures regarding social media content
- ensure cleaning products are stored safely to keep children safe

On 1 August 2024, the provider responded to the actions set. We found that the provider had provided training to ensure all staff understand and follow social media policies and procedures and that all cleaning products are now stored safely.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
