

Complaint about childcare provision

Ref: EY317201/5765726

Date: 2 August 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 June 2024, we received concerns that the provider was not meeting some of these requirements.

On 26 June 2024, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events that may affect a provider's ongoing suitability to remain registered.

On 31 July 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has completed a review to ensure that all staff, including students, have a clear understanding of their roles and responsibilities and improvements have been implemented.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.
