

## **Compliance action taken for childcare provision**

Ref: EY492059/5772597

Date: 29 July 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 4 July 2024, the provider notified us of an incident where a child was left unsupervised for a short period of time. This a breach of the statutory safeguarding requirements. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted.

On 22 July 2024, we completed a telephone regulatory event with the provider. During the call, the provider told us about another incident that has happened since 4 July 2024, where a child was left unsupervised for a short period of time. This a breach of the statutory safeguarding requirements.

We have served a notice to improve with actions the provider needs to take.

Action needed by 26 July 2024:

I improve staff knowledge and understanding of risk assessment to keep children safe

I take immediate action to ensure that children are adequately supervised at all times.

We will monitor the provider's response to ensure the action is successfully completed.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

We are satisfied with the action taken by the provider.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
