

Compliance action taken for childcare provision

Ref: EY465856/5735540

Date: 8 August 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 May 2024, we received concerns that the provider was not meeting some of these requirements.

On 13 June 2024, we carried out a regulatory visit and found the provider was not meeting some of these requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 11 July 2024:

- provide all staff with health and safety and safeguarding training. Ensure they have sound knowledge and understanding of policies and procedures to enable them to keep children safe

- take swift action to remove or minimise all risks and hazards to keep children safe from harm.

On 09 July 2024, the provider responded to the actions set. We found that the provider had taken appropriate steps to improve staff knowledge and understanding of child protection procedures. Staff have now received up to date safeguarding and health and safety training and they have improved their understanding of the setting's policies and procedures. The provider has assessed the premises to identify and remove any risks and hazards to children's safety.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
