

Compliance action taken for childcare provision

Ref: EY427876/5718110

Date: 9 August 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 23 May 2023, we received a concern about an allegation relating to staff's management of children's behaviour.

On 18 July 2024, the provider notified us that a further allegation had been made. This notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any events or serious injuries to a child.

On 9 July, 5 and 9 August 2024, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements and had taken action to put this right. They have ensured that all staff have a better understanding of appropriate behaviour management strategies and monitor staff's practice to check they are implementing these effectively. The provider has reviewed and amended their systems for monitoring and supporting staff awareness of safeguarding procedures, with particular reference to on-line safety.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
