

## **Compliance action taken for childcare provision**

Ref: 2745810/5790959

Date: 20 August 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 July 2024, the provider notified us regarding an incident where one child was given another child's antibiotics. The information received raised concerns that this provider was not meeting some of the above requirements.

On 20 August 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. They had identified the procedures to administer medications safely had not been followed. They have taken steps to refresh the staff's understanding of the procedures regarding administering medications safely. The provider will ensure the staff continually refreshes their knowledge of these procedures in the future. As the provider had taken appropriate steps to address the requirement that had not been met, we took no further action.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
