

## **Compliance action taken for childcare provision**

Ref: 2656592/5810493

Date: 23 August 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 August 2024, we received concerns that the provider was not meeting some of these requirements.

On 23 August 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. New fencing has been put in place to ensure children are unable to leave the garden area unaccompanied. Risk assessments have been strengthened and staff have undergone training.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
