

Complaint about childcare provision

Ref: EY412715/5770068

Date: 6 September 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 July 2024 we received information that this provider was not meeting some of these requirements.

On 6 September 2024 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. However, the provider has since taken action to ensure that there are procedures in place so that staff are aware of the children in their care that have special dietary requirements, including allergies and intolerances.

The provider will be able to give parents further information about this. The provider remains registered with Ofsted.
