

## **Complaint about childcare provision**

Ref: 2688560/5824855

Date: 17 September 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 5 September 2024, we received concerns that the provider was not meeting some of these requirements.

On 12 September 2024, we carried out a regulatory visit. We found the provider had not met requirements in relation to referring safeguarding concerns. The provider took appropriate action to update their safeguarding policies and procedures during the regulatory visit.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
