

Compliance action taken for childcare provision

Ref: EY455548/5800315

Date: 2 September 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 August 2024, we received concerns that the provider was not meeting some of these requirements.

On 30 August 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take.

Actions needed by 13 September 2024:

- ensure the designated leads for safeguarding follow the guidelines of the Local Safeguarding Partnerships and respond to any concerns in a timely and appropriate way.

On 13 September 2024, the provider responded to the actions set. We found that the provider had improved their knowledge and understanding of the policy and procedure associated with child protection. The provider now fully understands their responsibilities.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
