

Complaint about childcare provision

Ref: EY550380/5821899

Date: 11 October 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 5 September 2024, we received concerns that the provider was not meeting requirements relating to staff: child ratios.

On 7 October 2024, we carried out a regulatory telephone call. We found the provider was not meeting a requirement and had taken action to put this right. The provider has now appointed a named deputy to oversee the provision at times when the manager is absent. This will help to ensure children's safety and well-being.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
