

Compliance action taken for childcare provision

Ref: 137846/5786948

Date: 2 October 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 23 July 2024, the provider notified us about a matter relating to Information and record keeping. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant matters affecting the welfare of children.

On 12 August 2024 we carried out a regulatory telephone call and did not find any concerns relating to the initial notification. However, during the call we found new areas of concern. This means the provider was not meeting other requirements as set out in the Statutory framework for the early years foundation stage.

In relation to the new area of concern, on 2 October 2024, we issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 11 October 2024:

- provide Ofsted with the required information to carry out checks and determine the suitability of all directors of the company.

The provider took steps to provide the required information to Ofsted. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
