

## **Compliance action taken for childcare provision**

Ref: EY362227/5844437

Date: 22 October 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 3 October 2024, the provider notified of an incident associated to the requirement health. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant incident. However, we also learnt that a similar incident occurred in July 2024 and that on this occasion Ofsted had not been notified.

On 17 October 2024, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had taken action to put this right. Policies and procedures regarding the preparation and serving of food have been reviewed and shared with staff. This supports staff to ensure children's special dietary requirements, preference and food allergies are adhered to at all times. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.
