

Compliance action taken for childcare provision

Ref: EY286476/5821604

Date: 24 October 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 August 2024, the provider notified us of a safeguarding incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 17 September 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take.

Actions needed by 1 October 2024:

- improve staffs knowledge and understanding of the settings safeguarding policy, including where to refer concerns to, in line with local reporting procedures.

On 1 October 2024, the provider responded to the action set. We found that the provider had improved staff's knowledge and understanding of child protection procedures. This included the setting's safeguarding policy and where to refer concerns to. The provider now fully understands their responsibilities.

We are satisfied the provider has met the safeguarding and welfare action raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
