

## **Compliance action taken for childcare provision**

Ref: EY473827/5854326

Date: 25 October 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 October 2024, the provider notified us about EYFS requirement 'Safeguarding policies and procedures'. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 21 October 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider had completed a full investigation into the incident and taken appropriate action. They have reviewed their staff deployment and have introduced more robust staff supervision procedures. This helps to ensure children's safety and well-being.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
