## Compliance action taken for childcare provision

Ref: EY426129/5803881

Date: 22 August 2024

### Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 June 2024, the provider notified us about an incident relating to Staff: child ratios. Furthermore, on 14 June 2024, the provider also notified us of an incident relating to Safeguarding policies and procedures. The notifications mean that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 15 August 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. They had reviewed their policies and risk assessments and provided additional training for staff in relation to managing transition times and supporting children's behaviour.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
