

Compliance action taken for childcare provision

Ref: EY277702/5866981

Date: 15 November 2024

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 31 October 2024, the provider notified us that a child had been inadvertently left outside in the nursery garden unsupervised (Staff: child ratio). This means that the provider meet their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 15 November 2024, we carried out a regulatory visit and found that the provider was not meeting some of the requirements and had taken prompt action to put this right. The provider has reviewed their risk assessments to ensure these are implemented effectively and to ensure staff complete regular headcounts of children when moving from one area of the nursery to another. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
