

## **Complaint about childcare provision**

Ref: EY481429/5873603

Date: 20 December 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundationstage-framework--2](http://www.gov.uk/government/publications/early-years-foundationstage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 8 November 2024, we received concerns that the provider was not meeting requirements relating to Safeguarding policies and procedures, Concerns about child safety and welfare and Suitable people.

On 20 November 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right.

They had completed a full investigation relating to the concerns. The provider had reviewed policies and procedures, and risk assessments and provided further training for staff to ensure they could keep children safe.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
