

Complaint about childcare provision

Ref: EY224890/5906331

Date: 16 December 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 December 2024, we received concerns that the provider was not meeting some of these requirements relating to the safety and suitability of premises, environment, and equipment. On 17 December 2024, the provider notified us about concerns relating to these requirements. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted.

On 19 December 2024, we carried out a regulatory visit. We found the provider was not meeting one of the requirements and had taken action to put this right. They had risk assessed the suitability of the furniture used by children. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
