

Compliance action taken for childcare provision

Ref: EY280315/5899007

Date: 19 December 2024

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 5 December 2024, the provider notified us about the outcome of a recent visit carried out by Environment Health and Public Health (Safety and suitability of premise, environment and equipment). This means that the provider meet their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 18 December 2024, we carried out a regulatory visit and found that the provider was not meeting some of the requirements and had taken prompt action to put this right. During the regulatory visit on 18 December 2024, we found a new area of concern. This means that the provider was not meeting other requirements as set out in the Statutory framework for the early years foundation stage. In relation to the new area of concern, we issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 31 December 2024:

- ensure that all reasonable steps are taken so that children are not exposed to risk of harm, with specific regard to the condition of the radiator covers throughout the nursery.

We are satisfied with the action taken by the provider. The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
