

Complaint about childcare provision

Ref: EY376223/5885244

Date: 9 January 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 November 2024, we received concerns that this provider was not meeting requirements relating to staff: child ratios, safety and suitability of premises, environment and equipment and information and record keeping.

On 2 January 2025, we carried out a regulatory visit. We found the provider was not meeting one of the requirements and had taken action to put this right.

The provider had reviewed and improved the toileting arrangements for older children to ensure they receive the right levels of support to meet their individual needs.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.
