

## **Compliance action taken for childcare provision**

Ref: EY404025/5900077

Date: 27 January 2025

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 October 2024, the provider notified us about matters relating to safeguarding policies and procedures. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a concern relating to children's safety and welfare.

On 21 and 22 January 2025, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider ensured that staff completed training to further develop their knowledge and understanding of the key-person system. This will help to ensure that staff provide children with quality care. Staff have revisited the setting's policy and procedure for reporting and recording accidents and incidents. This will help to ensure that all staff report and record accidents and incidents in line with the relevant policies and procedures.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
