

## **Compliance action taken for childcare provision**

Ref: EY362227/5931892

Date: 12 February 2025

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 January 2025, the provider notified us of an incident relating to Health, specifically food and drink. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 20 January 2025 we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take within the timescales set out below. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 20 February 2025:

- ensure all staff receive and embed training for health and safety procedures, with specific reference to procedures linked to managing children's dietary needs.

The provider has put in suitable measures that supports handling food to manage children's dietary needs. Staff have been trained through various forms of mediums by external courses and internal practice. The management team are extensively monitoring the processes.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
