

Compliance action taken for childcare provision

Ref: EY334149/5959591

Date: 22 April 2025

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 February and the 21 March 2025, the provider notified us about matters relating to staff:child ratios and the safety and suitability of premises, environment and equipment. The notifications mean that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted about significant events.

On 16 April 2025 we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. Senior leaders have improved their oversight of the setting. They have taken steps to ensure that those responsible for the day-to-day management of the setting have the necessary knowledge and skills to fulfil their roles and that they are supported effectively. Senior leaders have undertaken a full review of staff practice to ensure the necessary improvements are embedded.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
