

## **Compliance action taken for childcare provision**

Ref: 2509144/5974096

Date: 15 April 2025

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 4 March 2025, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures, suitable people, and safeguarding training. On the same day, the provider notified us about matters relating to the same requirements.

On 10 April 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 24 April 2025:

- ensure allegations against staff are managed in line with the local safeguarding partnership and the safeguarding policy
- ensure all staff have robust safeguarding knowledge and understand the procedures they must follow if they have any safeguarding concerns.

On 24 April 2025, the provider responded to the actions set. We found that the provider had ensured that allegations against staff were managed appropriately. They had also provided staff with further training and support to improve their safeguarding knowledge. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

## **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
