

Compliance action taken for childcare provision

Ref: 2683681/6069790

Date: 21 July 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 June 2025, we received concerns relating to the following requirements safeguarding policies and procedures, concerns about children's safety and welfare, and changes that must be notified to Ofsted.

On 19 June 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 14 July 2025:

- ensure sufficiently detailed information and records are kept and maintained to ensure the safe and effective management of the setting.

On 14 Jul 2025, the provider responded to the action set. We found that the provider has improved their procedures for keeping sufficiently detailed information and records. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be
