

## **Compliance action taken for childcare provision**

Ref: 2712708/6037738

Date: 4 August 2025

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 03 March 2025 and 17 July 2025, the provider notified us about matters relating to safeguarding policies and procedures, suitable people, safety and suitability of premises, environment and equipment and health. The notification mean that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage, to notify Ofsted of a significant event.

On 04 August 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider had reviewed staff conduct and implemented specific training relating to the concerns raised. We found that the provider had taken action to update mealtime risk assessments to avoid cross contamination. In addition, staff had been provided with refresher training for allergy management procedures. This helps to ensure children are kept safe.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
