

Compliance action taken for childcare provision

Ref: 305075/6080877

Date: 14 August 2025

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage,' which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25 June 2025, the provider notified us of matters relating to safeguarding policies and procedures. The notification means that the provider met their legal responsibility, as set out in the 'Statutory Framework for the early years foundation stage,' to notify Ofsted of any significant events.

On 1 August 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements in relation to safeguarding policies and procedures. We have issued an action for the provider to take.

Action needed by 15 August 2025:

- ensure those with lead responsibility for safeguarding fully understand the procedures to follow in the event of an allegation being made against a member of staff.

On 13 August 2025, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of child protection procedures through training and a review of practice. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
