

Compliance action taken for childcare provision

Ref: 2619729/6090768

Date: 2 September 2025

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 July and 16 July 2025, we received concerns that the provider was not meeting requirements relating to safety and suitability of premises, environment and equipment and supporting and understanding children's behaviour. On 2 July and 23 July 2025, the provider notified us about matters relating to the same requirements and additionally, matters regarding safeguarding policies and procedures. These notifications means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of significant events.

On 20 August 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. Following a significant event, the provider had improved the risk assessments in relation to moving children around the premises. Staff have been provided with training in the policies and procedures for supervising children effectively.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
