Compliance action taken for childcare provision

Ref: EY390650/5904847

Date: 28 July 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 October 2024 and 19 February 2025, we received concerns that the provider was not meeting requirements relating to suitable people.

We have liaised with other agencies and the provider. On 13 December 2024, 20 December 2024, 27 February 2025 and 30 May 2025 we conducted telephone regulatory calls and on 23 July 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take . The provider will be able to give parents further information about this.

Actions needed by 13 August 2025:

- ensure all staff, including leaders and the designated safeguarding lead, fully understand and implement child protection procedures, including the steps to follow in the event of an allegation against a member of staff.

On 18 August 2025, we carried out a regulatory visit. The focus of the visit was to check whether the provider had met the safeguarding and welfare actions raised at their last regulatory event. We found that the provider had strengthened their knowledge and understanding of child protection procedures and the referral processes to follow. This included the actions to take if there was an allegation raised against a member of staff. This ensures children safety at the setting. We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
