Compliance action taken for childcare provision

Ref: 113602/6064696

Date: 10 September 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 June 2025, we received concerns that the provider was not meeting requirements

relating to supporting and understanding children's behaviour, and safety and suitability of premises, environment and equipment.

On 8 September 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Action needed by 25 September 2025:

- ensure all staff receive appropriate and targeted training to effectively support, understand, and manage children's behaviour appropriately
- take action to ensure records are maintained for any occasions where physical intervention is used.

On 22 September 2025, the provider responded to the actions set. We found that the provider had revised their policies and procedures around promoting positive behaviours, and physical intervention. In addition, managers and staff have undergone additional training to improve their knowledge and skills for understanding and supporting children's behaviour. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
