

Compliance action taken for childcare provision

Ref: 110019/6187773

Date: 13 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 October 2025, the provider notified us about matters relating to safeguarding policies and procedures, concerns about children's safety and welfare, staff: child ratios, and safety and suitability of premises, environment and equipment. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events. On 22 October 2025, we received concerns that the provider was not meeting requirements relating to staff: child ratios, and safety and suitability of premises, environment and equipment.

On 11 November 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. They have removed potential hazards from the garden, reviewed and updated risk assessments for the garden, and provided training and support to staff to help them understand their roles and responsibilities. The provider plans to monitor improvements made.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
