## Summary of key findings

### This provision does not meet requirements

There were no children in the early years age range present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no early years children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

### What does the setting need to do to improve?

**To meet the requirements of the Childcare Register, the provider must:**

	<b>Due date</b>
ensure that Ofsted is provided with all the information needed to complete the required suitability checks for all adults living or working on the premises where childcare takes place.	14/11/2025
