

Compliance action taken for childcare provision

Ref: EY468774/6048168

Date: 1 December 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 May 2025, the provider notified us about matters relating to health. Furthermore, on 29 May 2025, the provider notified us about matters relating to staff:child ratios. These notifications mean that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of breaches to the requirements of registration.

We carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. Staff have received additional training in relation to the procedures to follow for administering medication. Additionally, procedures for transitioning children between indoors and outdoors have been adjusted to ensure children are within sight and/or hearing at all times.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
