Compliance action taken for childcare provision

Ref: EY562854/6127674

Date: 17 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 5 November 2025, the provider notified us about matters relating to safeguarding policies and procedures and, concerns about children's safety and welfare. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 17 November 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 8 December 2025:

- improve safeguarding policies and procedures to ensure leaders have sufficient oversight of children's safeguarding information and are aware of any issues of concern at home or elsewhere.

On 3 December 2025, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of child protection procedures. Leaders have reviewed and updated safeguarding policies and procedures. They follow renewed internal guidance which ensures leaders have sufficient oversight of children's safeguarding information and any issues of concern at home or elsewhere. We are satisfied the provider has met the safeguarding and welfare action raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
