

## **Compliance action taken for childcare provision**

Ref: EY288734/6139771

Date: 23 December 2025

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 3 July 2025, the provider notified us about matters relating to whistleblowing, safeguarding policies and procedures.

On 14 August 2025, the provider notified us about additional matters relating to the same requirements.

1 October 2025, the provider notified us about a separate matter relating to safety and suitability of premises, environment and equipment. The notifications mean that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider to look after children.

On 7 October 2025, we carried out a regulatory telephone call, and on 20 November 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider had revisited safeguarding policies and procedures with staff and retrained them to understand and follow the correct process for reporting concerns. This helps to ensure children's safety and welfare.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.
