

## **Compliance action taken for childcare provision**

Ref: 2592439/6211907

Date: 23 December 2025

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 12 November 2025, the provider notified us about matters relating to safeguarding policies and procedures. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event which is likely to affect the suitability of any person who cares for children on the premises.

On 17 November and 9 December 2025, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures, concerns about children's safety and welfare, safeguarding training and information and record keeping.

On 22 December 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 19 January 2026:

- ensure that all staff are supported so that they are confident in implementing effective safeguarding policies and procedures to keep children safe.

On 16 January 2026, the provider responded to the action set. We are satisfied the provider

has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
