

Complaint about childcare provision

Ref: 2844724/6207113

Date: 30 January 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 November 2025, we received concerns that the provider was not meeting requirements relating to concerns about children's safety and welfare, safeguarding policies and procedures, whistleblowing and supporting and understanding children's behaviour.

On 22 January 2026, we carried out a regulatory visit. We found the provider was not meeting one of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 7 February 2026:

- ensure all staff have a robust understanding of how and when to escalate concerns beyond the internal nursery Designated Safeguarding Lead.

On 3 February 2026, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of child protection procedures and how to report these. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

The provider is still registered with Ofsted.
