

Complaint about childcare provision

Ref: EY539114/6294869

Date: 6 February 2026

Summary of outcome

All early year's providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 December 2025, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures.

On 5 February 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. We found that the provider had improved their understanding of safeguarding policies and procedures. During the call, we also found that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
