

## **Compliance action taken for childcare provision**

Ref: EY308307/6245450

Date: 5 February 2026

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 December 2025, the provider notified us about matters relating to safety and suitability of premises, environment and equipment. The notification means that the provider met their legal responsibility as set out in the statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 23 January 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has completed additional training for staff regarding accident and injuries to ensure all staff understand the settings policies and procedures.

Additionally, during the regulatory visit on 23 January 2026, we found new areas of concern. This means that the provider was not meeting other requirements as set out in the Statutory framework for the early years foundation stage. In relation to the new area of concern, we issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 20th March 2026:

- Ensure all records are maintained and are easily accessible and available

We will monitor the provider's response.

On 17 February 2026, the provider responded to the action/s set. We found that the provider had ensured that all records are maintained and easily accessible and available.

The provider is still registered with Ofsted

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our

responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
