

## **Compliance action taken for childcare provision**

Ref: 2739918/6301340

Date: 26 February 2026

### **Summary of outcome**

¿All early years providers must meet the legal requirements in the¿Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.¿

On 27 January 2026, the provider notified us about matters relating to suitable people. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of any person who cares for/is in regular contact with children on the premises. The provider will be able to give parents further information about this.

On 25 February 2026, we carried out a regulatory visit. We found the provider had not fully implemented their own recruitment and vetting procedures. However, they have since received advice and support from the local authority and have also improved their procedures to ensure they are rigorously implemented when new staff are employed.

We are satisfied with the action taken by the provider. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
