

Complaint about childcare provision

Ref: 2782632/6316833

Date: 16 March 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 February 2026, we received concerns that the provider was not meeting requirements relating to staff: child ratios. On 16 March 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider had reviewed procedures in place to ensure children are adequately supervised at all times. The provider had implemented further safety protocols and staff revisited policies and procedures to ensure they adhere to these at all times to keep children safe. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
