

## **Compliance action taken for childcare provision**

Ref: EY402035/6349183

Date: 21 April 2026

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 March 2026, the provider notified us of matters relating to concerns about children's safety and welfare. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 20 April 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 22 May 2026:

- gain secure knowledge and understanding of safeguarding issues and the correct procedures to follow, in accordance with local safeguarding children partnership guidelines, in the event of allegations or concerns regarding a child's welfare
- ensure that staff have a clear understanding of their roles and responsibilities to promote children's learning, development, safety and happiness in the setting.

We will monitor the provider's response to ensure the actions are successfully completed. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.
