Compliance action taken for childcare provision

Ref: EY453341/6392523

Date: 8 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the¿Statutory framework for the early years foundation stage (EYFS), which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 23 April 2026, the provider notified us about matters relating to suitable people, references, training and skills, supporting and understanding children's behaviour and safeguarding policies and procedures. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the EYFS to notify Ofsted of any allegations of serious harm or abuse by anyone living, working, or looking after children at the premises.

On 3 June 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. Following an incident, the provider did not follow their safeguarding policies and procedures. The provider has taken satisfactory action by ensuring that policies and procedures are consistently followed to ensure the safety of children.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
