21 September 2005

Dear pupils,

Thank you for the warm welcome you gave us when we visited your school recently. The conversations that we had with groups and individuals were very interesting and we enjoyed watching you at work.

There are lots of things we liked about your school. Some of them are:

your very good behaviour, politeness and friendliness

the way you listen well to your teachers and work hard

the interesting things you learn about and the many out-of-school activities

the care that your teachers show in keeping you safe and happy

the way your school is run, including your contribution through the school council.

What we have asked your school to do now:

to set work that stretches all of you in your lessons, especially in English and mathematics.

Thank you once again for helping us so much with the inspection. We hope that you will continue to work hard, enjoy your lessons and help your teachers in continuing to make Seaton C of E Junior School a happy place to be.

Yours sincerely,

Mrs L ReadMrs L Buller
