Grades used to determine next inspection type

(training and standards grades have been averaged from the above table of relevant grades)

Management and quality assurance grade	Quality of training grade	Standards achieved by trainees grade
1	2	2

Inspection in 2005-11 programme

In accordance with the *Framework for inspection of initial teacher training for the aware of qualified teacher status 2005-2011*, and as a result of these grades, the next inspection of the secondary provision of this provider will be a short inspection. This will take place in the period September 2005 to July 2008.
